

THE RIGHT WAY TO SEPARATE!

> PLASTIC BOTTLES, PACKAGING MADE OF METAL, BEVERAGE CARTONS

THE YELLOW BIN / YELLOW BAG IS ONLY FOR:

Plastic bottles

for beverages (PET bottles, ...)
Note: Please squash bottles and crease bottom!

Plastic bottles

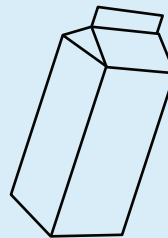

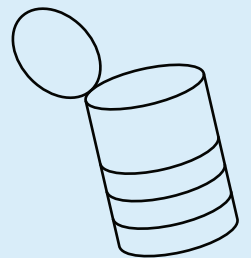

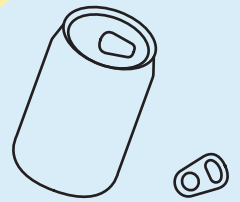

for laundry, home- and beauty-care products (detergent, shampoo, ...)

Beverage cartons

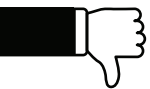

Milk and juice packages
Note: Please flatten cartons!

Metal packagings

Beverage cans, cans for foodstuffs, aluminium trays, caps, ...

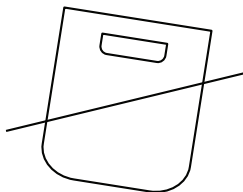

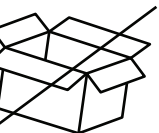

Please make sure that all packaging is clean and completely empty before you put it in the yellow bin / yellow bag! Thank you!

THE YELLOW BAG / YELLOW BIN IS NOT FOR:

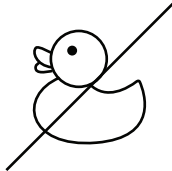

All other plastic or metal waste

Foils, PVC pipes, garden hoses, toys, household appliances, electrical appliances, covers, rubber gloves, iron scraps, tools, ...

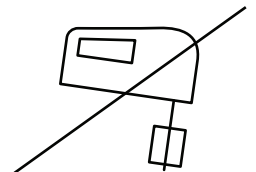

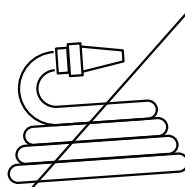

Other waste

Residual waste, packaging made of metal, paper, cardboard, carton or glass, problematic materials

Packaging which is not completely empty as well as mechanical pressed waste

In terms of efficient recycling please make sure to put only defined packaging in the yellow bin / yellow bag. Contaminated bins / bags are not emptied!
